Restroom/Sink Combo (SKU)

Standard Features

- 80 gallon tank capacity, offers 20-50% more uses than competing restrooms
- Continuous fresh air ventilation for improved odor control
- Light weight plastic construction
- Equipped with mirrors and coat hooks
- Non-slip safety flooring
- Designed to accommodate 250 average uses
- Foot-pump sink operation - leaving hands free for washing
- Water-conserving "fan spray" nozzle gives a generous amount of fresh water for a high number of washes per fill
- Foot pedal is positioned so users can operate the unit easily and get a thorough hand washing with limited pumps
