Damage Waiver Program

Great protection for you

Honey Bucket Portable Restroom's Damage Waiver Program provides financial protection to you and covers any tip-overs, graffiti (15 minutes or less to remove), and accidental damages done to the restrooms you rent.

The program fee varies depending on the product and your location but it averages about 10% of the monthly rental charge and provides valuable protection against acts of vandalism, foul weather, or other damage.

Low Deductible

The Honey Bucket Damage Waiver has a deductible of only \$100.00 for any restroom that has damages that add up to more than 50% of its replacement cost.

For instance, if a restroom has been stolen, blown-up or has damage in the excess of 50% of its replacement cost, then you would only incur a charge of \$100.00 (and not the \$1,000.00 for a standard restroom or \$2,500 for an ADA restroom – for example).

Contact us for more details concerning our Damage Waiver Program and how it can offer you peace-of-mind and financial protection to your restroom rental.
